**INSTRUCTIONS**

Founded in 1972, the National Naval Officers Association (NNOA) is comprised of officers from the Coast Guard, the Navy, and the Marine Corps – the nation’s Sea Services. NNOA provides professional development and mentoring in an effort to recruit, promote, and retain minority officers in the Sea Services. NNOA seeks to strengthen a diverse officer corps to enhance operational readiness in the Sea Services and has a long history of providing a positive image of the Sea Services in minority communities and educational institutions.

Each year, the Washington, DC Chapter of the NNOA (DCNNOA) awards scholarships starting at \$1,000 to minority youth from the Washington, DC Metropolitan Area based on academic achievement, positive community involvement, commitment, and financial need. Scholarship recipients select their major and attend the college or university of their choice without any obligation to join or affiliate with the military; unless stipulated by the scholarship sponsor.
